

## **SAFE PARKING AVAILABLE FOR RIDESHARE PARTICIPANTS**

In an effort to assist commuters in establishing carpools, we have contacted various offices to obtain approval in areas where you could safely park your vehicle when meeting your carpool.

Each of these areas is designated as “park at your own risk.” You may find that the lot is not cleared immediately after a significant snowfall, so please plan accordingly. The spaces are available Monday – Friday. These spaces are intended to provide an allowable, safe area to park instead of a gravel pull-off or sidestreet. The areas are:

*Milesburg United Methodist Church  
301 Turnpike Street, Milesburg, PA 16853*

*PA Military Museum (B Route)  
S.Atherton St., Boalsburg, PA 16827*

*Howard Fire Company  
Walnut Street, Howard, PA 16841  
(back of lot near Yearick Center)*

*Port Matilda Municipal Lot (behind bank)  
Port Matilda, PA 16870*

*Walker Township Park  
816 Nittany Valley Drive, Bellefonte, PA 16823  
(end of lot furthest away from pavillion)*

*Faith United Methodist Church  
512 Hughes St., Bellefonte, PA*

*Milesburg Community Center  
Turnpike Street, Milesburg, PA 16853  
(painted lines on gravel area)*

*Grays United Methodist Church  
Rt. 550, Stormstown area  
R.D. #1, Port Matilda, PA 16870*

*Ways Fruit Farm  
2355 Halfmoon Valley Rd., Port Matilda, PA*

*Brothers Pizza  
1950 Halfmoon Valley Rd., Port Matilda, PA*

*Autumn Meadow Park  
Smith Road, Port Matilda, PA*

We are very fortunate to have these lots available as a safe place to park vehicles. You will need to let me know if you plan to use any of these areas so that I can provide to you a parking placard for your windshield. You can reach me at [rideshare@catabus.com](mailto:rideshare@catabus.com) or at 814-238-2282 ext. 5134.
